DONOR FUND SPOTLIGHT PHIL & VICKIE LITTLE

Vickie and I discovered the CREATE Foundation about ten years ago. Our friends recommended we look into all CREATE had to offer. We believe we are placed on this earth to make a positive difference in the lives of others. By utilizing our Donor Advised Fund at CREATE, we are able to give to organizations and ministries about which we are passionate. Our contributions are easily accessible due to the excellent job of the CREATE staff.

Why do you give through CREATE?

"The Donor Advised Fund simplifies the giving process. Contributions to the fund may be made at any time throughout the year. The Donor Central portal is very simple to use and allows you to disburse funds to charities of your choice at any time. CREATE does the rest. The staff is very efficient, pleasant and always helpful."

The McLean Legacy Society honors those forward-thinking individuals who have let the Foundation know that they have a plan to leave a gift to the community through a bequest, trust, life insurance policy, or retirement plan. CREATE extends its gratitude to them for making northeast Mississippi a better place now and in the future. Since gifts are usually entrusted to CREATE at the end of the donor's life, we generally have little or no opportunity to demonstrate the recognition and appreciation that such meaningful acts deserve. Now, however, the McLean Legacy Society provides a way for CREATE to thank donors and ensure their gifts will be recognized during their lifetime.

If you would like more information on the McLean Society, please contact P.K. Thomas at 662-844-8989 or pk@createfoundation.com.
