Five Smooth Stones Scholarship

The purpose of the Five Smooth Stones Scholarship is to provide a path to help ensure the success of African American high school students who are aspiring to go to college. The five smooth stones represent the story of David and Goliath and how David conquered the giant with one smooth stone. Although David took five smooth stones, it only took one to accomplish his mission. The goal of this scholarship is to help young African Americans to conquer their giants in life with the hope of helping them start their road to success.
