    a. Advanced Manufacturing
    b. HVAC
    c. Engineering
    d. Computer Software Programming
    e. Construction Technology

Express Employment Professionals would like to offer a $500 scholarship to a successful, deserving student who will be chosen by an appointed committee. If the student earns a GPA of 2.75 or higher after the first semester at ICC, an additional $500 scholarship will be awarded for the second semester at ICC.

Our criteria would be:

Express Employment Professionals of Tupelo would like to award a $500 scholarship to a student who has demonstrated commitment and success in the Career-Technical Program with the intention of continuing their studies at ICC. Students who demonstrate a financial need and will be completing one of the following majors are eligible for the scholarships:
- Advance Manufacturing
- HVAC
- Engineering
- Computer Software Programming
- Construction Technology

It is our belief that these careers are the economic drivers of our region and our country and we would like to award those students who have successfully completed one of the above courses of study and who intend to continue that field of study at ICC.
